2. Scheme/Programme Objectives :

Prime objective of the scheme is to construct/improve R.D. roads under 142 No. of Assembly Constituencies in rural area with scope to improve part length of road or left out portion requiring improvement due to any reasons. On improvement of the roads, the local population will be benefitted with better access to educational institutions, medical facilities, connectivity to Block/G.P. Headquarters, market places and tourist spots etc.

3. Coverage under the scheme/programme and duration :

a. Construction/ improvement of a part length of R.D. roads that have remained left out previously or those that require improvement due to some reasons will be taken up under the scheme.

b. All the 142 No. of rural Assembly Constituencies of the State will be covered under the scheme.

c. Funds to the tune of Rs. 1.00 Cr. will be provided to each rural Assembly Constituency in a financial year for construction/improvement of R.D. roads.

d. Maximum 20 No. of roads with minimum value of Rs. 5.00 lakhs each can be taken up under an Assembly Constituency in a financial year.

e. The work should be of construction/improvement nature under the scheme.

f. No sole proposal of repair nature of work, CC drain, retaining wall - will be allowed under the scheme.

g. The proposed road should not be under PMGSY/MMSY/any other state scheme in which 5 years routine maintenance is in force.

h. No splitting up of the project will be allowed under the scheme.

i. All the road proposals under the scheme will be approved by the concerned CCE of R.W. Circle prior to accordance of A/A to the projects.

j. After approval of the project by the CCE concerned, the tendering process will be initiated for execution of the works by the concerned SEs/EEs according A/A to the projects as per the codal provision.

4. Implementation of the scheme/programme (with definite role of the stakeholders at State/District/Implementation level) :

i. The design and drawing etc. are to be prepared by the Department Engineers under R.W. Organization.

ii. 50% road proposals will be undertaken as per recommendation of concerned Member of Legislative Assembly (MLA) and balance 50% of the road proposals will be taken up as per recommendation of the concerned Rural Works Division.

iii. Since Financial Year 2024-25 is over, funds of 2 years shall be provided in 2025-26 so that works of two years can be taken up and completed within the financial year 2025-26

5. Source of funding for the scheme/project and fund flow mechanism :

The scheme envisages expenditure to the tune of Rs. 142.00 Cr. annually. The fund requirement will be made available out of the budget provision of R.D. Department.

6. Intended scheme/programme outcome :

After completion of the projects, the local population will be benefitted with better access to educational institutions, medical facilities, connectivity to Block/G.P. Headquarters, market places and tourist spots etc. Besides, time will be saved during transportation and the socio-economic standard of rural people will be increased manifold.

7. Monitoring & Evaluation mechanism :

a. Quality assurance, supervision and monitoring shall be done by the Department, i.e. through executing field functionaries from Junior engineer to Chief Construction Engineer, as per codal provisions.

b. The concerned CCE/SE/EE will monitor progress of the work.
